Central Bank of Indonesia
Analyst Intern Kampus Merdeka Bank Indonesia Batch IV
Februari 2022 - Juli 2022 (6 bulan)
Medan dan Sekitarnya

as part of Kampus Merdeka Bank Indonesia Batch 4,I was placed at the Bank Indonesia Regional Office for North Sumatra Province for a semester-long program. This program consists of three pillars: Learning, Working, and Projects. During these six months, I underwent On Job Training in four units: the Provincial Policy Formulation Group, the Sumatra Regional Policy Formulation Group, the Payment Systems and Rupiah Currency Management Unit, and the MSME Development, Financial Inclusion, and Sharia Unit. I gained experience in processing economic development reports periodically, participating in economic studies, and completing assigned projects, including a project titled "Study on the Economic Development of North Sumatra through Industrial Agglomeration." Additionally, I contributed to formulating a study on the relocation of BI Sumut's cash storage using the Analytical Hierarchy Process method.
